

Greater Kingston Senior Soccer Association Outdoor Soccer Rules and Regulations

Revised Jul-2021

Rule 1 Membership

- A) For active membership to remain in good standing, each active member, that shall be a team, shall:
1. Comply with the Constitution of the GKSSA and the published rules (constitution, policies, and procedures) of the District and the OSA.
 2. Remit all outstanding monies to the GKSSA when due.
 3. The bondholder shall be delegated by the team executive and will be listed on the team application form. Notice of any change of bondholder shall be submitted to the GKSSA Board of Directors in writing for approval.
 4. Notify the GKSSA Board of Directors of the current team representative seven (7) days prior to the annual general meeting.
 5. Bonds are not permitted to lie dormant. If a bondholder does not wish to enter a team in the outdoor session, the bond must be redeemed. The GKSSA Board of Directors must be informed in writing of the bondholder's intentions two (2) months prior to the beginning of the outdoor season.

Rule 2 Team Registration

- A) All new team applications must be in writing to the GKSSA Board of Directors and accompanied by a Three Hundred Dollar (\$300.00) bond.
- B) Each team shall register its playing colours when applying for membership each year. New teams are not permitted to register playing colours that are similar to any existing team unless they also register an alternate colour.
- C) Each team shall forward to the GKSSA Secretary two (2) contact names, their email addresses, and phone numbers. Only these team contacts shall be emailed on the happenings of the GKSSA including decisions regarding suspensions, protests, decisions on appeals, and dates, times, and locations of hearings.
- D) In the event that a team is relegated to another division based upon their final standings in the previous season, a minimum of seven (7) players from the relegated team must move with that relegated team. If the number of seven (7) players cannot be met for whatever reason, the GKSSA Board of Directors has the authority to deal with such situations on a case-by-case basis.
- E) The GKSSA Board of Directors will have the authority to designate all team movement between divisions. Champions of each division shall be promoted to the next highest division, if possible, and teams finishing in the lowest rank in each division shall be relegated to the next lowest division, if possible.
- F) A new team cannot be formed by signing seven (7) players from a single already existing or previously registered team in the GKSSA. The intention of this rule is to prevent teams from disbanding and re-registering in the same division (thereby avoiding their possible relegation or promotion to another division), and shall not apply where both the new and previous teams will be playing in the same division.
- G) Any new team will be delegated into any division other than the top division at the discretion of the GKSSA Board of Directors.

Rule 3 Player Registration

- A) The GKSSA shall administer player registration in conjunction with the published rules of the OSA.
- B) No team shall have less than eleven (11) or more than twenty-four (24) registered players at one time. No more than six (6) players of these players may be registered in a competitive league.
- C) For each division, the registration and release deadline shall be four (4) weeks prior to the last date on which regular season games are scheduled in that division.
- D) A player shall be eligible, after twenty-four (24) hours following the registration, to play games for the team with which he is registered.
- E) A player must be sixteen (16) years of age or older as of May 1st of the current season to be eligible to play.
- F) A player shall only play for one (1) team within the GKSSA league structure.
- G) Any player currently under suspension from another outdoor league may not register with a team.
- H) Any player who was last registered in another country requires an international transfer before being able to register.
- I) Any player who was last registered as a non-amateur or professional player requires a reinstatement to amateur status from the OSA and/or the CSA prior to registering.
- J) It is the team's responsibility to ensure that each of its players complies with Rules 3(G), 3(H), and 3(I).
- K) An ineligible player shall be defined as per the OSA's Discipline procedure (Section 9 – Item 9.12.2) and Competition procedure (Section 1 – Item 20.2).
- L) If an ineligible player plays, the team will forfeit any points earned in games played by the ineligible player. The opposing team will be designated the winner by a 3 to 0 score and receive three (3) points.
- M) Players may play up in a higher division for league play a maximum number of times in a season as dictated by the "Call-up & Trial Player" rule.
- N) Players may register as trial players with the league for a maximum number of times in a season as dictated by the "Call-up & Trial Player" rule.

Rule 4 General Rules

- A) The Laws of the Game shall be those adopted by the CSA through its association with FIFA.
- B) Each team, and its officials, is responsible for the conduct of their players and is required to take any precautions necessary to prevent their players and team officials from threatening or assaulting game officials before, during, or at the conclusion of a game. Teams will be responsible for all fines and administration fees levied by the GKSSA, SOSA, OSA, or CSA.
- C) All games shall be played as scheduled and every effort must be made to do so.
- D) No scheduled game shall be postponed by either of the two (2) teams scheduled to play unless the GKSSA Board of Directors furnish written permission. Application for postponement must be made in writing to the GKSSA Board of Directors seven (7) days prior to the game. The team requesting a change in the date and/or time of a game shall obtain agreement in writing, facsimile, or email, if applicable, from their opponent and this agreement shall be forwarded with the application for postponement. The re-scheduled game must be played within twenty-one (21) days of the original date and the proposed new date must be agreed upon by both teams and shall be submitted with the application for postponement to the GKSSA.
- E) All teams must appear on the field in their registered team colours. Where the uniform colours of competing teams are similar, the away team shall use uniforms (i.e. shirts) of an alternate colour. Goalkeepers must wear colours which, in the opinion of the referee, plainly distinguish them from the other players and from the game officials.
- F) All players other than the goalkeeper must wear uniquely Arabic numbered shirts. These numbers shall be clearly visible and distinguishable.

- G) Each team shall be responsible for providing a net and two (2) corner flags prior to the start of the game. The home team shall also provide a properly inflated game ball subject to approval by the referee. The home team is also responsible for unlocking and relocking the gates and for turning on and off the lights as necessary.
- H) Fifteen (15) minutes grace time shall be allowed from the scheduled kick-off time of the game to permit both teams to field the minimum number of seven (7) players. The game shall commence when both teams have the mandatory minimum number.
- I) A game shall be declared forfeited if a team cannot field the mandatory minimum number of players after the grace period and the game shall be awarded by a 3 to 0 score to the opponent. The offending team will face disciplinary action. If neither team can field the mandatory minimum number of players, the game shall be declared a double default, marked as a 0-0 loss for each team, and neither team shall receive any points. Both teams will face disciplinary action.
- J) Substitutions are unlimited and may be made at the discretion of the referee in accordance with Law 3:
 - a. After a goal is scored,
 - b. At half-time,
 - c. At the award of a goal kick,
 - d. At the award of a throw-in, in a team's favor or either throw-in, if other team is substituting, and
 - e. To replace an injured player.
- K) In all league games, three (3) points shall be awarded for a win, one (1) point for a tie and zero (0) points for a loss. Division placements shall be determined by the following protocol, with the protocol applying regardless of the number of teams that may have the same number of accumulated points:
 - a. The team with the highest number of accumulated points;
 - b. Head to head records between the tied teams if only two teams are tied;
 - c. Team with highest goal differential for all regular season games;
 - d. Team with most goals scored during all regular season games;
 - e. A coin toss (or coin tosses, depending on how many teams are tied).

When more than two teams are tied on points, if one team emerges the winner before the coin toss stage, the process begins again from the start for the remaining teams.
- L) Should any team drop out or be suspended from the League before the completion of the season, all of their games played will be declared null and void and removed from the League standing. The GKSSA Board of Directors may terminate the membership of the team.
- M) Referees and Assistant Referees appointed to GKSSA games shall be selected from the Official List of Referees published by the OSA. Should the referees fail to appear, the game will be re-scheduled and a disciplinary report will be submitted to the District by the GKSSA.
- N) Only team officials and substitute players shall be within to the technical area. If there are no benches, the area shall be situated twenty (20) yards on each side of the halfway line of the playing field. These areas, where possible, shall be located on the same side of the field.
- O) Team officials (manager, coach, or trainer) listed on team sheets are subject to the same disciplinary action as players and are required to conduct themselves in an appropriate fashion so as not to bring the game into disrepute.
- P) Each team must complete the game sheet for each game. The team sheet must contain the printed first and last name (neither initials nor signatures) and number of each player eligible to take part in the game. Only the players whose names appear on the team sheet may take part in the game. The completed team sheet shall be forwarded to the referee prior to the start of the game. No players may be added to the game sheet after the second half of play begins. All players entering the field of play must be on the game sheet. All players must be accounted for in every game. If a player is playing up, as a trial, or suspended, this must be marked as such on the game sheet. Failure to mark a suspended player

listed on the game sheet as “suspended” will deem that the player played as a suspended player. There may be up to three (3) team officials recorded on the game sheet, and all team officials present must be listed. At the end of the game each team’s representative or team official must sign the sheet, confirming the score and any cautions or dismissals given to their players. Game sheets improperly filled out may result in forfeiture of the game in addition to fines.

- Q) A player whose name appears on a game sheet for a game will be considered to have participated in that game even if it was not played (i.e. a default by the either team) unless they are marked as suspended or a line is drawn through their name.
- R) A league game, to be considered official, shall consist of a minimum of seventy (70) minutes of playing time and consist of two (2) equal halves if weather conditions permit.
- S) Should a game be abandoned by the referee for any reason prior to its minimum completion time, the GKSSA Board of Directors has the right to determine whether the game shall be replayed and under what conditions.
- T) Should any game not be completed for an occurrence of any type of misconduct, such as spectator problems, fights, assaults, or a team leaving the field of play without the permission of the referee, the team shall be disciplined in accordance with the OSA Published Rules.
- U) All GKSSA trophies presented annually shall remain the property of the GKSSA unless the team representative is notified otherwise in writing by the GKSSA Board of Directors. These trophies shall be returned to the GKSSA Board of Directors before July 15th of each year and must be in the same condition as received. The GKSSA shall repair damaged trophies at the expense of the team responsible for the damage. The expenses must be paid prior to August 1st of that year. Failure to do so will result in the GKSSA taking the repair costs from the bond which must be replenished as per Rule 9(B).
- V) Each team must have their player registration forms (player books bearing the standard player’s picture and signature approved by the GKSSA Registrar) at every game, subject to the following:
 - i. One representative from each team shall inspect the player registration forms of the players on the opposing team. It shall be the responsibility of the Team representative to notify the referee of any discrepancy immediately after the registration forms are checked. The referee shall record such discrepancies in his/her report but take no further action.
 - ii. In extenuating circumstances where the player registration forms are not present at the start of the game, the player registration forms shall be checked at any time prior to the beginning of the second half.
 - iii. A player whose name is included on the team sheet, but is not present at the time when the player registration forms are checked by the opposing team representative, shall not play in the game until after his player registration form has been checked by the opposing team representative in his presence.
 - iv. When a team representative has reported a player eligibility discrepancy to the referee, the referee shall have the player clearly write his name, date of birth, and signature on the reverse side of the referee’s copy of the game sheet.

Rule 5 Protests

- A) All protests shall be lodged and submitted in writing to the GKSSA Statistician not more than two (2) business days following the game concerned. Saturdays, Sundays, and holidays are not considered business days. The GKSSA Statistician’s email address is available on the GKSSA website.
- B) The only time exception applies to protests made as a result of playing ineligible players according to Rule 3(K) which can be brought to the attention of the GKSSA Board of Directors at any time during the season.
- C) All protests shall be submitted in writing by email, registered mail, or recognized courier service.

- D) A copy of the letter or protest shall be sent by email, registered mail, or courier service to the appropriate individual or organization against which the protest is directed. The person receiving it should acknowledge this copy. Proof of delivery should accompany the original protest.
- E) Every protest involving an individual shall be made by the individual and shall be accompanied by a protest fee of Twenty-Five Dollars (\$25.00) by cheque or money order to be made out to the GKSSA.
- F) Every protest involving a team shall be made by a member of the team's executive and shall be accompanied by a protest fee of Seventy-Five Dollars (\$75.00) by cheque or money order to be made out to the GKSSA.
- G) Any protest not submitted in compliance with all of the above regulations shall be ruled out of order and shall not be heard.
- H) Assuming all of the other requirements have been met, the protest shall be heard as per OSA regulations within three (3) weeks of its receipt by the GKSSA Discipline Chair.
- I) In the event the protest is upheld, the protest fee shall be refunded. In the event the protest is denied, the protest fee shall be forfeited.
- J) If either party to the protest submitted to the GKSSA is not satisfied with the decision, that party may appeal to the District.
- K) For Cup and Playoff Tournaments where the protest will impact subsequent games, the protest must be delivered at the first available opportunity and sufficiently in advance of any subsequent games that might be affected by it. The GKSSA reserves the right to refuse to consider a protest if it is not delivered at the first available opportunity and/or not sufficiently in advance of any subsequent games that might be affected by it.
- L) No referee's decision may be protested. Any dispute concerning the awarding of a card to a player must be done as per Rule 6(F) and 6(J).

Rule 6 Discipline

- A) The GKSSA shall operate its own discipline committee. All discipline matters, including hearings and suspensions, shall be conducted in accordance with the discipline procedures set out in the OSA Discipline Policies and Procedures. A copy of these Policies and Procedures shall be made available to each team representative at the start of each season.
- B) The GKSSA Board of Directors will appoint a Discipline Chair for appeals and discipline on major offences.
- C) The GKSSA Board of Directors, in conjunction with the GKSSA Discipline Chair, shall appoint up to two individuals per division as part of the DBR Committee to review the reports and base their judgment upon the game report.
- D) All referee assaults shall be referred to the District.
- E) The teams of all players who receive red cards shall be responsible for discovering the reason for dismissal from the referee. The offence shall be specified by the referee on the game sheet.
- F) All players who are dismissed from a game shall incur an automatic one (1) game suspension unless a request for a hearing is made by the player or team representative within seventy-two (72) hours of the completion of the game in which the dismissal occurred or up to two (2) hours before the team's next GKSSA game (whichever is less). This request must be received in writing via email by the GKSSA Discipline Chair and must be accompanied by the OSA non-refundable hearing fee of Fifty Dollars (\$50.00).
- G) DBR shall follow the published OSA guidelines. While reviewing the penalty, if the DBR Committee feels a more severe penalty is warranted, a hearing will be scheduled and the player will be required to attend as per Rules 7(C) through 7(F).

- H) Yellow cards are accumulated throughout the season separately for league games and cup games. Playoff games are considered an extension of league games. A player dismissed for a second cautionable offence in a game shall not have an accumulation of yellow cards from that game.
- I) A Discipline by Hearing (DBH) shall be convened to deal with any offence not covered by the OSA Discipline Policies, including offences by team officials.
- J) In discipline cases, when a team disputes the identification of an ejected player, the onus is on the team to prove the correct identity of the player and the affected team shall have twenty-four (24) hours to inform the GKSSA Statistician of the error. If the error is not reported within this time frame, the identity of the disciplined player shall be assumed to be correct.
- K) All suspensions shall be for a stated number of games, except where the OSA Discipline Policies and Procedures provide otherwise. Time-based suspensions shall be based on the equivalent of one game per week.
- L) Suspensions shall be served within the same competitive level in which the misconduct occurred. A player cannot play up during a suspension or use a play up game as time served.
- M) It is the team's responsibility to enforce suspensions for yellow and red cards as per OSA guidelines. Any players or team officials serving suspensions shall not be allowed to be in the team's bench area.
- N) Any suspension not completed by the end of the season (including playoffs) shall carry over to the next outdoor season.

Rule 7 Discipline by Hearing (DBH)

- C) The DBH Committee shall be comprised of a Discipline Chair as well as two members from a different division to which the discipline matter pertains. None of these members shall be from the division in which the discipline matter pertains. This will avoid conflict of interest within the division.
- D) The members of the DBH Committee shall be selected at random from available teams. The teams selected shall be required to serve as committee members unless they can present a conflict of interest. No team shall be required to serve twice in the same season unless all available teams have served as committee members already or no other teams are available due to a possible conflict of interest.
- E) Once team representatives have been notified that they are to provide a DBH Committee member for a scheduled hearing, the team is responsible for sending a member to the hearing.
